

I am honored to provide this testimony on behalf of Katie Lyons, a person of exceptional integrity, compassion, and dedication. I have had the privilege of knowing Katie for several years, and in that time, I have come to know her as someone who consistently demonstrates kindness, reliability, and a strong moral compass.

Katie approaches every situation with thoughtfulness, open communication and sincerity. Whether she is volunteering her time, or taking on professional responsibilities, she does so with a level of care and commitment that sets her apart. Her character is defined by her honesty, humility, and an unwavering sense of responsibility.

One of the most striking qualities about Katie is her empathy. She listens deeply, speaks with intention, and always considers the well-being of others in her actions. People are naturally drawn to her because of the genuine warmth and respect she brings into every interaction.

Katie Lyons is someone you can count on. Her word is dependable and her values are clear and consistent. I have no doubt that anyone who knows her would speak of her in equally high regard.

It is a true privilege to know and work alongside someone of Katie's caliber and leadership.

Sincerely,
